

HUSKY **Weather**BEATER™ **Custom Vehicle Floor Protection**

CARE AND USE INSTRUCTIONS

Thank you for selecting a WeatherBeater™ Trunk Liner from Winfield Consumer Products. Your new cargo liner is custom molded to fit your Kia Sorento (with 3rd row seats and these seats folded flat). Upon removal from the box your liner will not completely unroll and lay flat. This is normal and only temporary. Just place the liner on the floor or in the trunk of your vehicle with a weight in each corner (a book works well). After about 15 minutes, your liner will remain flat. In colder climates this “relaxing” may take longer; moving the liner to a heated area will speed the process.

Your liner is manufactured using an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Do not use Armor All®, Son-of-a-Gun® or similar items as these products make the liner slick.

CARGO LINER INSTALLATION INSTRUCTIONS FOR YOUR 3rd ROW SEAT EQUIPPED KIA SORENTO

YOUR SORENTO CARGO LINER FITS TO THE BACK OF THE 2ND ROW SEAT IN SORENTO MODELS EQUIPPED WITH 3RD ROW SEATS. THE SEATS MUST BE FOLDED FLAT BEFORE THE LINER IS INSTALLED. YOUR LINER IS DESIGNED TO ALLOW ACCESS TO THE FACTORY TIE-DOWN HOOK LOCATIONS WITH THE LINER IN PLACE. TO ACCESS THE HOOKS, YOU WILL NEED TO REMOVE THE MATERIAL FROM THE RECESSED AREAS OF THE LINER LOCATED DIRECTLY IN FRONT OF THE HOOKS. THESE AREAS (CIRLCED ABOVE) ARE RECESSED ON THE LINER TO AID TRIMMING. A UTILITY KNIFE WORKS WELL FOR TRIMMING.
