

THANK YOU FOR SELECTING A HUSKY FLOOR LINER

FROM WINFIELD CONSUMER PRODUCTS

CARE AND USE INSTRUCTIONS

Your new liner is custom molded to fit your vehicle. Upon removal from the box your liner will not completely unroll and lay flat. This is normal and only temporary. Just place the liner on the floor or in the back of your vehicle with a weight in each corner (a book works well). After about 15 minutes, your liner will remain flat. In colder climates this “relaxing” may take longer; moving the liner inside will speed up the process.

Your liner is manufactured using an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liner slick.

INSTALLATION INSTRUCTIONS FOR YOUR TOYOTA SIENNA CARGO LINER (FITS BEHIND THE 3RD ROW OF SEATS)

FRONT OF VEHICLE

NOTE: YOUR CARGO LINER IS DESIGNED TO COVER THE STORAGE WELL AREA THAT THE THIRD ROW OF SEATS ARE FOLDED OUT OF. AS IT IS BOXED, YOUR LINER WILL NOT ALLOW THE THIRD ROW SEATS TO BE FOLDED BACK INTO THE STORAGE WELL WITH IT INSTALLED. HOWEVER, THE LINER HAS TRIMMABLE AREAS THAT CAN BE REMOVED TO ALLOW SEAT STORAGE WITHOUT LINER REMOVAL. THE AREAS TO BE TRIMMED CAN EASILY BE LOCATED AS THEY ARE RECESSED INTO THE LINER (DEPICTED BY DOTTED LINES IN SKETCH ABOVE). TO TRIM, SIMPLY REMOVE THE MATERIAL FROM THESE LOWERED AREAS USING A UTILITY KNIFE OR HEAVY SHEARS. WITH THIS DONE, THE SEATS CAN BE FOLDED WITH THE LINER IN PLACE.
