## CARE AND USE INSTRUCTIONS

---

Thank you for selecting a WeatherBeater® Floor Liner from Winfield Consumer Products. Your new center hump liner is custom molded to fit your Chevrolet Silverado/GMC Sierra Regular Cab trucks. The liner is made to take the place of your factory floor mat. **For correct fit, it is necessary to remove the factory floor mats before installing your new floor liner.** However, do not remove the factory-installed carpeting.

Your liner is made from an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liner slick.
