

IBEAM FLUSH MOUNT BACKUP CAMERA WITH METAL HOUSING

TE-FLC METAL HOUSING FLUSH MOUNT BACKUP CAMERA

PRODUCT OVERVIEW

Our iBeam Flush Mount Backup Camera is a fast and easy solution to increasing driver safety. The universal flush mount is integrated into the body of the vehicle for an unobtrusive camera with only the lens visible. A wide angle lens provides a 110 degree viewing angle and sharp picture from the 1/4" CMOS camera, which has 0.6 lux night vision. The camera is inside high quality metal housing with water resistant construction.

- High quality metal housing
