

ICI Fender Trim Warranty

ICI Fender Trim – LIMITED LIFETIME WARRANTY

Innovative Creations, Inc. guarantees the original purchaser of our products a limited lifetime warranty from the date of original purchase against manufacturer defects in materials, workmanship, and finish under normal use. This warranty does not include damage resulting from road hazards such as gravel or other debris, product misuse, improper installation, impairments from accidents, product modifications, product neglect, or scratches during the life of the product. This limited lifetime warranty applies only to new products and is limited to the repair or replacement of company's products. Warranty does not include costs of freight, removal, installation, labor, inconvenience, or consequential damages. Original purchaser must return defective merchandise along with the purchase receipt to the original place of purchase.

PROPER CARE AND MAINTENANCE

As with any outdoor product, proper care is essential for maintaining the high luster and corrosion properties of stainless steel. The stainless steel we use at Innovative Creations, Inc. is a premium grade stainless steel. Stainless steel is one of the most durable metals produced for outdoor use. Nature can and will fade or tarnish the appearance of any polished finish. In rare cases, the appearance of rust can form on the polished finish. The "surface rust" as it's called, is simply elements found in nature that oxidize the finish. We recommend regular cleaning with soap and water. The use of a regular car wax applied every three months will provide a slick, protective barrier that will not allow the oxidizing elements to rest upon your ICI product. If rust spots do appear, remove promptly with a chrome, brass or silver cleaner. ICI strongly recommends these preventative measures so that you can enjoy our products for years to come.
