92-95 Honda Civic 3 Bolt & 2 Bolt Post Mount Setup Options

You may have an option on what driver mount to purchase depending on your model of Civic. Typically most 92-95 Honda Civics come equipped with a driver side mount with a 2 bolt post mount. 3 bolt post mounts are usually found on 94-95 Civic EX/Si/VX and also 94-01 Acura Integras. May vary upon engine or transmission swap.
