IRONMAN® TIRES LIMITED PROTECTION POLICY

This Limited Protection Policy applies to Ironman brand tires purchased on or after July 1, 2018, or, in the absence of proof of purchase, tires with a manufacturing DOT code reading DOT 2518 or later.

This policy is applicable in the United States and Canada only.

Ironman Tires is a brand of the Hercules Tire & Rubber Co.

THIS LIMITED PROTECTION POLICY IS NOT A GUARANTEE THAT YOUR TIRE WILL NOT FAIL OR BECOME UNSERVICEABLE IF NEGLECTED OR MISTREATED.

IMPORTANT

The following contains important information that you must have in order to obtain an adjustment under the terms of the protection policy. We suggest you keep this in your vehicle at all times. In the unlikely event that you ever need to request an adjustment under the terms of the protection policy, present this to your Ironman Tires dealer and they will have all the information needed to promptly address your request.

ELIGIBILITY

Eligible tires are covered by this Limited Protection Policy for a period of 60 months from the date of original tire manufacture date or purchase date. Without proof of purchase, date of manufacture will be used to determine age.

This Limited Protection Policy applies to the original owner of new Ironman brand SUV/P-Metric/Light Truck and Passenger tires that are new replacement market tires bearing the Ironman brand name and D.O.T. Tire Identification Number, operated in normal service, and used on the same vehicle on which they were originally installed according to the vehicle manufacturer's recommendations. Tire(s) on any vehicle registered and normally operated outside the United States and Canada are excluded from eligibility under this Limited Protection Policy.

When used in normal noncommercial service, SUV/P-Metric/Light Truck and Passenger tires which become unserviceable due to defects in workmanship and material will be replaced on a "no charge" basis during the first 2/32nds of an inch (1.6mm) of original usable tread. The cost of mounting, balancing and any other service charges including applicable taxes are excluded from reimbursement. Thereafter, the adjustment replacement price will be based upon tread wear prorated upon the basis of the original purchase price. Tires are considered 100% worn when the remaining tread depth is 2/32nds of an inch or less. Cosmetically blemished ("blem") tires are not adjustable. Out of balance, out of round or ride disturbance tire adjustments will only be made during the first 2/32nds of an inch of the original usable tread depth. Three (3) or more tires from the same vehicle will not be accepted. All Ironman brand tire adjustments will be subject to and made in conformity with the following conditions and exclusions of the Ironman Limited Protection Policy.

IMPORTANT SAFETY NOTICE: IF THE TIRE OWNER ABUSES THE TIRES BY FAILING TO OBSERVE SAFETY WARNINGS AND TO MAINTAIN PROPER INFLATION PRESSURE, VEHICLE ALIGNMENT AND TIRE ROTATION, EXPECTED TIRE PERFORMANCE AND LIFE MAY NOT BE ACHIEVED, AND YOUR SAFETY CANNOT BE ENSURED.

Hercules Tire & Rubber Co. cares about your safety and your tires. Please drive responsibly and maintain your vehicle properly. Visit our website for important tire safety tips provided by the Rubber Manufacturers' Association.

To be eligible, you need to present your original tire sales invoice showing date of purchase, along with this Limited Protection Policy, with the Information Section completed. You are responsible for payment of all applicable taxes, demounting, mounting and balancing charges set forth under this Coverage. You are also responsible for payment of local tire disposal fees and any parts or service regardless of mileage or months of service. This includes payment for tire rotation, alignment, towing, road service and valve stems and all applicable taxes.

Tires replaced on an adjustment basis become the property of the Company. You will be required to sign the Ironman Limited Protection Policy Claim Form.

Adjustment procedures are described in the Owner's General Obligation section. Complete and sign an Ironman Limited Protection Policy Claim Form which is available at any authorized dealer.

ROAD HAZARD PROTECTION POLICY

This Road Hazard Protection Policy is valid from the date of purchase for two (2) years or when the tire reaches 50% of usable tread depth, whichever comes first. When an eligible tire is damaged during the first 2/32nds of an inch (1.6mm) of treadwear or first 12 months from date of purchase, whichever comes first, the tire will be replaced with a comparable Ironman brand tire free of charge. Coverage is prorated via an adjustment procedure after the free replacement period on eligible tires for up to 50% of usable tread depth, or up to two (2) years, whichever comes first.
