22529

Dual-Sided Microfiber Screen Cleaning Cloth

- Safely removes dust, smudges and fingerprints without scratching
- Plush side removes dust and dirt
- Silken side polishes away fingerprints
- Resealable package
- Mobility statement

\$creen Cleaner

72557

LCD/Plasma TV Screen Cleaning System

- For use with flat screen TV's, laptop monitors, digital cameras, PDAs, video camcorder, smartphones, tablets, sunglasses and eyeglasses
- Removes dust, dirt and fingerprints without damaging the screen
- Kit includes: LCD screen cleaning spray, anti-static dust brush and a micro-fiber polishing cloth

22592

Screen Cleaning Kit

- Cleans and removes dust, from all TV types (LCD, Plasma, CRT), portable DVD players, flat screen monitors, smartphones, tablets and laptops
- Perfect shape for cleaning hard to reach corners
- Cleaning solution bottle stores inside handle for easy portability
- Kit includes: alcohol-free cleaning solution and a microfiber cleaning pad

AV CLEANING

32591

All-In-One Cleaning Kit

- Cleans and removes dust from all TV types (LCD, LED, Plasma), portable DVD players, flat screen monitors, smartphones, tablets, laptops and mobile electronics
- No streaking or residue
- Kit includes: alcohol-free cleaning solution and a microfiber cleaning cloth that is stored in the lid
- Made in the USA

Screen Cleaning Solution

- Cleans and removes dust from all TV types (LCD, LED, Plasma), portable DVD players, flat screen monitors, smartphones, tablets, laptops and mobile electronics
- No streaking or residue
- Kit includes: alcohol-free cleaning solution and a dual-sided microfiber cleaning cloth
- Plush side removes dust and dirt
- Silken side polishes away fingerprints
- Made in the USA

AV CLEANING

72596 / 72598

Laser Lens Cleaner

- Cleans CD and DVD players for better performance
- Can also be used with Blu-ray, Xbox and PlayStation
- Dry brush system no messy liquid

72597

Radial CD/DVD Cleaning System

- Provides high-tech cleaning for Blu-ray, CD and DVD discs
- Easy-to-use system that preserves the performance of discs
- Keeps away dirt, dust, fingerprints and other foreign matter that soils CDs and DVDs and interferes with encoded digital data preventing it from playing properly

10618

Blu-Ray/DVD Laser Lens Cleaner

- Safely cleans Blu-ray/DVD laser lens for better performance
- Also cleans CD/DVD players, Xbox or Playstation
- Laser lens cleaner instructions are programmed with voice and music guide in several languages on laser disc

PRODUCT PACKAGING

Jasco packaging includes at-a-glance feature callouts and full color photography. Instructions and QR codes are also included on select products.

Every Jasco Product is intelligently designed from start to finish.

All products are backed by Jasco's product warranty.

For more than 100 years, GE has used its global presence and applied new technologies to create and better the consumer products on which we depend.

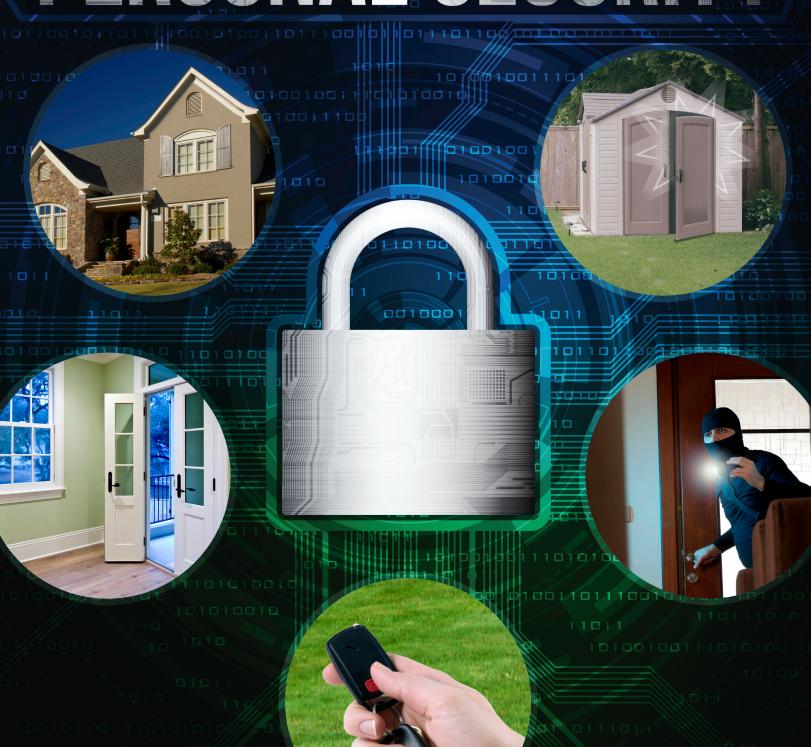

As an exclusive GE licensee, Jasco Products Company develops, markets and distributes more than 2,000 GE branded consumer electronic accessories, computer accessories, home electric products and home security/surveillance products. Jasco provides the brand people trust.

The bold, vibrant graphics and easy-to-understand messages on the Jasco/GE packaging enhance the appearance and value of the products at the retail level. Merchandising Jasco/GE products will increase sell through, provide increased margin opportunity, and inspire confidence and brand loyalty with your customers.

Jasco works hard to meet the needs of a culturally diverse marketplace; all Jasco/GE packaging features information and instructions in both English and Spanish.

For more than 100 years, GE has used its global presence and applied new technologies to create and better the consumer products on which we depend.

As an exclusive GE licensee, Jasco Products Company develops, markets and distributes more than 2,000 GE-branded consumer electronic accessories, computer accessories, home electric products and home security/surveillance products. Jasco provides the brand people trust.

The bold, vibrant graphics and easy-to-understand messages on the Jasco/GE packaging enhance the appearance and value of the products at the retail level.

Merchandising Jasco/GE products will increase sell through, provide increased margin opportunity, and inspire confidence and brand loyalty with your customers.

Jasco works hard to meet the needs of a culturally diverse marketplace; all Jasco/GE packaging features information and instructions in both English and Spanish.

Wireless Lighting Controls

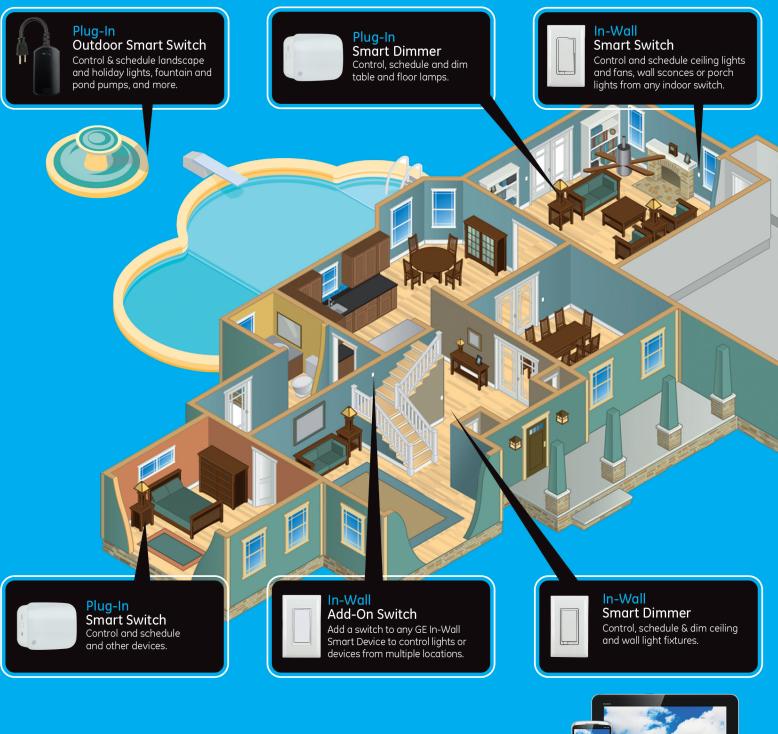

Wirelessly control and schedule from your smartphone or tablet!

GE Smart Devices allow you to control and schedule lights and other devices from your smartphone or tablet.

Wireless Control

Bluetooth is a wireless technology that makes regular household products into smart devices that securely "talk" to each other. Jasco's Connected Home Collection allows you to control and schedule lights, pool pumps, water heaters and more from anywhere using your phone or tablet.

Visit ezbluetooth.com for more info. ■

Works with most devices!
Wireless control from smartphones or tablet.

Plug-In Dimmers & Switches

Model 13866

Plug-In Smart Dimmer

- Remotely controls the on/off and brightness level of a table or floor lamp from your smartphone or tablet
- Full-range dimmability from 0% to 100%
- Flexible scheduling options: daily, weekly, sunrise/sunset, random and vacation
- Custom countdown feature turns lights off after set amount of time
- Dimmer contains one Bluetooth AC outlet
- Space-saving horizontal design plugs into the top of a standard outlet without blocking the bottom outlet
- cUL Listed for use with dimmable LED or CFL and incandescent lighting

Model 13867

Plug-In Smart Switch

- Remotely controls the on/off status of LED, CFL, halogen and incandescent lighting, fans or small appliances from your smartphone or tablet
- Flexible scheduling options: daily, weekly, sunrise/sunset, random and vacation
- Custom countdown feature turns lights off after set amount of time
- Switch contains one Bluetooth controlled AC outlet
- Space-saving horizontal design plugs into the top of a standard outlet without blocking the bottom outlet
- cUL Listed

Model 13868

Plug-In Outdoor Smart Switch

- Wirelessly schedule and control the on/off status of an outside light from your smartphone or tablet
- Flexible scheduling options: daily, weekly, sunrise/sunset, random and vacation
- Custom countdown feature turns lights off after set amount of time
- Works with dimmable LED, CFL, halogen and incandescent bulbs
- Also works with small pumps for outdoor water features
- Weather resistant housing with outlet cover
- Ideal for use with outdoor and seasonal lighting
- cUL Listed

In-Wall Dimmers & Switches

In-Wall Smart Dimmer

- Wirelessly schedule and control the on/off & brightness functions of permanently installed lighting from smartphone or tablet
- For use in single pole or 3-way wiring (3-way system requires GE model #12723 add-on switch)
- Full-range dimmability from 0% to 100%
- Flexible scheduling options: daily, weekly, sunrise/sunset, random and vacation
- Custom countdown feature turns lights off after set amount of time
- Interchangeable paddle design white and light almond paddles included
- Easy installation screw terminal connects to existing wiring, no flying leads
- LED indicator shows switch location in a dark room (can be disabled)
- cUL Listed for use with dimmable LED or CFL and incandescent lighting

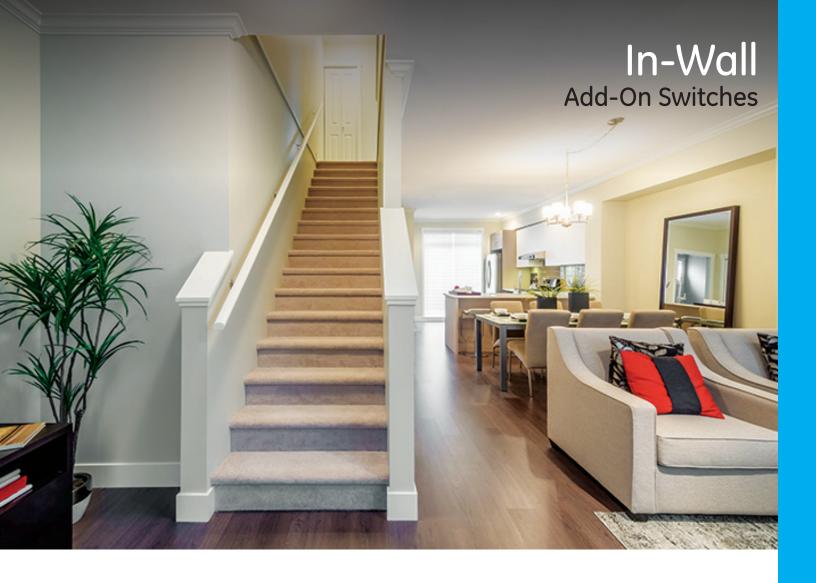

In-Wall Smart Switch

- Wirelessly schedule and control the on/off functions of permanently installed lighting from smartphone or tablet
- For use in single pole or 3-way wiring (3-way system requires GE model #12723 add-on switch)
- Flexible scheduling options: daily, weekly, sunrise/sunset, random and vacation
- Custom countdown feature turns lights off after set amount of time
- Interchangeable paddle design white and light almond paddles included
- Easy installation screw terminal connects to existing wiring, no flying leads
- LED indicator shows switch location in a dark room (can be disabled)
- cUL Listed for CFL, LED, xenon, halogen, fluorescent and incandescent lighting

Model 12723

In-Wall Add-On Switch

- Required for use with 3-way or 4-way wiring
- Interchangeable paddle design white and light almond paddles included
- Easy installation screw terminal connects to existing wiring, no flying leads
- Screw terminal installation provides improved space efficiency when replacing existing switches compared to flying leads (Neutral connection required for installation)
- Can be installed with GE brand In-Wall Smart dimmers, switches and fan controls – add-on switch functions the same as the primary control

For more than 100 years, GE has used its global presence and applied new technologies to create and better the consumer products on which we depend.

As an exclusive GE licensee, Jasco Products Company develops, markets and distributes more than 2,000 GE-branded consumer electronic accessories, computer accessories, home electric products and home security/surveillance products. Jasco provides the brand people trust.

The bold, vibrant graphics and easy-to-understand messages on the Jasco/GE packaging enhance the appearance and value of the products at the retail level.

Merchandising Jasco/GE products will increase sell through, provide increased margin opportunity, and inspire confidence and brand loyalty with your customers.

Jasco works hard to meet the needs of a culturally diverse marketplace; all Jasco/GE packaging features information and instructions in both English and Spanish.
