

8 & 18 GALLON ECONOMY PORTABLE POLY OIL DRAIN

These two poly drains offer an affordable option for lower volume repair shops.

Features include:

- Lightweight construction
- Easy to maneuver
- Translucent poly tank allows for easy viewing of oil level
- Molded grips to assist in draining
- Large drain pipe allows oil to drain quickly

Drain Spout & Cap

Both the 8-gallon and 18-gallon models include a 1-1/2" drain spout with a cap for manual evacuation.

2" Access Port

The 18-gallon model features a 2" port for adding other fluids or for accessing the tank with a suction wand.

Gravity Drain Valve

Also included with the 18-gallon model is a gate valve for gravity draining
