

Installation Instructions

Photo A

1. Remove the (2) rear tabs and set aside for re-use.
2. Position Screen holder to rear of A-Mod Desktop
3. Using provided screws, attach the previously removed rear tabs to the A-Mod Desktop. The screen holder should be positioned between the desktop and the rear tabs.
4. To use screen holder, lift laptop screen and place screen holder over the top of the screen. NOTE: Screen can be adjusted to desired position and tilt just by pushing or pulling. When not in use, place in folded position.
