WHEREVER TIRES ARE CHANGED™

**VALVECAPPER® PRO**

**NEW & IMPROVED!** 4 TOOLS IN 1  
Cap and Core Remover/Installer

**MADE IN U.S.A.**

**Makes it easier to check the inside dual tire**

- Designed by a trucker to make a difficult job easier
- No more moving your rig to position valve stems just to get to the caps
- No more dropped caps — holds onto caps and valve cores for removing and replacing
- Longer valve cap grip works on flow-through, double seal valve caps
- At 11-3/4 inches it has enough reach to get the job done
- Unbreakable under normal use
- Designed for use on metal and plastic valve caps

**BETTER THAN EVER!**

- Patent pending design now holds on to core for easy removal and installation
