

Ken-Tool releases OSHA Tire Mount/Dismount safety posters

AKRON, Ohio (February 21, 2012) – Ken-Tool, the leader in tire service tools, has announced the immediate availability of three new charts from the Occupational Safety and Health Administration (O.S.H.A.) which define proper servicing procedures for single and multi-piece truck wheel and tire assemblies.

According to O.S.H.A. regulation 29 CFR 1910.77, these (or similar) posters **must** be displayed in the workplace area where wheels and tires are serviced.

The four-color, 3-poster set (Part No. 39998) is printed on durable, 24" x 40" glossy 80# stock paper. The posters are rolled into a shipping tube, and are available from Ken-Tool's U.S. distributors.

- **Demounting & Mounting Procedures for Tube-type Truck & Bus Tires Chart** (OSHA 3402 10R-11)
- **Demounting & Mounting Procedures for Tubeless Truck & Bus Tires Chart** (OSHA 3401 10R-11)
- **Multi-Piece Rim Matching Chart** (OSHA 3403 10R-11)

.

Ken-Tool products are available through leading tire industry supply distributors worldwide.
