

## Complete Amplifier Kits

KICKER® complete amp kits feature top-quality Hyper-Flex power, ground and turn-on cables. K Series speaker wire and interconnects are also included, as is a heavy-duty AFS fuse holder and fusing. Insulated crimp connectors and zip ties come in the kit as well.

One additional year of amplifier warranty is included if purchased with a KICKER amp.

Rely on [premium car amplifiers](#) by [KICKER](#) if you're looking for quality and efficiency.
