Elevate the Restroom with Our Trusted, Familiar Brands

Very few locations within a facility impact satisfaction as much as the restroom. A positive experience can drive customer loyalty and increase revenue. A negative experience can have a truly damaging effect. Have you ever thought about what the restroom could do to your bottom line?

Consider this:

- Restrooms are one of the top three sources of complaints.
- Two-thirds of visitors say an unhygienic restroom lowers their impression of a facility overall.
- The average restroom is visited three to four times a day per person, leading to more than 1.1 million opportunities in a typical-size facility to impress or disappoint.

But there are solutions that can turn your restroom into an asset:

consumer-preferred, trusted brands such as Scott®, Kleenex® and Cottonelle®.

An Innovative Approach

The value we bring to your restroom hasn't changed, but the way we organize our systems has. We now offer four distinct solutions for your restrooms, making it easier than ever to choose the right products for your facility and your needs.

Solutions from:

- Scott®, the most well-known restroom brand
- Kleenex®, the most-loved restroom brand¹
- Cottonelle®, quality that leaves a lasting impression

Kleenex® and Cottonelle® Solutions

ONVATION™

A PARTNERSHIP FEATURING

Scott®
Brand

Purell®

Delivering Smart Restroom **Leadership**

Kimberly-Clark Professional and GOJO Industries have collaborated across their technology platforms to bring you an industry-changing, innovative partnership that will transform the way you manage your restrooms.

Through this collaboration, the Onvation™ Smart Restroom Management System now features the most trusted and customer-preferred Scott® and PURELL® products. This strategic partnership integrates two best-in-class brands with leading smart sensing technology to provide a single interface where you can proactively monitor restroom conditions to reduce customer complaints and increase tenant satisfaction.

Technology That Drives Results

How It Works

Embedded smart sensors send data to a secure gateway. The information is then transmitted to the IBM Cloud and is viewable through a web-based dashboard, accessible via multiple devices. The dashboard serves as your central hub for key metrics, insights, and opportunities to eliminate inefficiencies.

Bring Onvation™ Technology to life in 3D : Follow these simple steps:

- 1 Download the Onvation™ app from the Apple® App Store® or the Google Play™ store.
- 2 Aim at sections on the page and frame.
- 3 Experience it come to life.

Put Your Confidence in Our Sustainable Solutions

Over 50% of procurement decision-makers include sustainability-related questions in their purchasing RFPs. Only Kimberly-Clark Professional can provide a portfolio of products from trusted brands, such as Scott[®], Kleenex[®] and Cottonelle[®], that deliver cutting-edge, sustainable solutions.

We deliver game-changing innovations that reduce waste, improve performance, and reduce your environmental footprint because sustainability is in our DNA and we know it matters to our customers and guests.

No Hot Air

Our commitment to sustainability extends beyond our products to conserving resources that minimize our overall impact on the environment. Kimberly-Clark Professional offsets 100 percent of the electricity required to make our Scott®, Kleenex® and Cottonelle® products.⁷ We are the first towel and tissue manufacturer to offset production with renewable wind energy.

Don't Talk Trash

We walk the walk. Our manufacturing facilities are 94 percent landfill-free, providing you with confidence in the sustainability of your supply chain. With a portfolio of products designed to minimize waste, we help you focus on more important things.

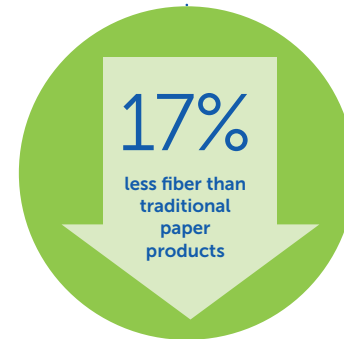

There's No Party Like a Third Party

And that's why we certify our products to the most rigorous third-party environmental standards. We have Scott®, Kleenex® and Cottonelle® Brand products that are FSC® and ECOLOGO certified and meet or exceed EPA guidelines for post-consumer waste.

Reducing Fiber Content

Our innovative manufacturing technology blends premium recycled fiber and responsibly sourced FSC® certified fiber. Plus, our products use 17 percent less fiber than traditional paper products.

We have pioneered sustainable innovation such as coreless bathroom tissue that eliminates core waste and we've engineered 100% of our hand towels to be compostable.⁸

Facial Tissue

Kleenex® , America's No. 1 Facial Tissue

People have counted on the Kleenex® Brand for over 90 years. Our products promote hygiene and give comfort year-round. Bring a touch of positivity to your business with Kleenex® Brand Facial Tissue, America's favorite facial tissue.
