

INSTALLATION INSTRUCTIONS

Part Number 33-2042

This filter fits: **See current K&N catalog for complete listing**

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter is a direct replacement for the stock air filter, and no modifications will be required. However the following procedure **MUST** be followed on the Camaro and Firebird to ensure a proper fit and seal of the K&N Filtercharger®.

- 1) Follow the instructions in the owners manual to remove the stock air filter.
- 2) Remove the airbox from the vehicle.
- 3) Install the Pre-oiled K&N Filtercharger.
- 4) Fasten the clips on the airbox lid.
- 5) Re-install the airbox into the vehicle.
- 6) Hook the airbox up according to the owners manual.

These instructions must be followed every time the filter is serviced, otherwise the filter may not seal and damage to the engine could result.
