

INSTALLATION INSTRUCTIONS

Part Number: 33-3071

This filter fits: SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

INSTALLATION:

1. Remove stock air filter from air box. Fig. 1
2. Clean sealing surfaces from any dirt or debris.
3. Install K&N® air filter into air box with tabs of filter facing toward hinge side of air box and engraving on the filter facing up. See Fig. 2.
4. Reinstall air box lid

NOTE: The K&N® air filter will only fit in one direction.

THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.
