

# INSTRUCTIONS

## Vent Kit DPB

For applications that require a vent hose to be attached to the air cleaner, K&N Engineering, Inc., has a 90 degree elbow that allows this.

P/N: **85-1120** fits 1/2" i.d. hoses

P/N: **85-1190** fits 5/8" i.d. hoses

Looking for dependable performance air intake systems?  
Rely on K&N for quality and long-lasting products.
