

LLOYD MATS

RUBBERTITE

PRODUCT LINE FACT SHEET

Custom fit all-weather protection

DURABLE RUBBER CONSTRUCTION

- The only custom fit rubber mat for all vehicles.
- Custom fit to each vehicle to provide maximum coverage and protection.
- Textured non-slip surface.
- Hundreds of uniform “wells” provide capacity for mud, snow, water, sand, spills, and debris.
- Larger round wells provide double the capacity of other designs.
- Heavy duty, long wearing material stays flexible, even in sub-freezing conditions.
- Contemporary edge-to-edge material design.
- Flush edge material hugs the contour of your vehicle's floor.
- Non-skid nib backing keeps mats safely in place.

DESIGN FEATURES

- 13 rubber colors including 7 exciting fun colors, and 6 neutral colors match or compliment all automotive interiors.
- Unique round well design easily cleans with the spray from a hose
- 3 year Lloyd Mat limited warranty against defects in design, workmanship, and materials.

SAFETY FEATURES

- Mat fasteners are used with all Lloyd Mats' products
- Factory compatible retention hardware is included for vehicles with a factory installed anchor device.
- A proprietary Lloyd Mat Fastener is included for vehicles with no pre-installed mat fastening device.

CUSTOM FIT PATTERNS

- Over 11,000 unique floor pattern designs.
- All cars, trucks, vans, SUV's, and crossovers.
- Trunk mats available for most passenger cars.
- Patterns available for most SUV and van cargo areas.

Rubbertite Mats should not be placed over other floors mats. Rubbertite Mats are designed as a stand alone mat item. Rubbertite Mats are equipped with anchoring devices to keep them securely in place. These devices may not work properly if Rubbertite Mats are used over another accessory floor mat.
