

LP ADVENTURE BUMPER GUARD - 2013-2017 XV CROSSTREK

Made in DOM 1 " x 0.95. This material is very strong. We also use it in the manufacture of safety cages.

Its design allows to set several LED light bars or fog lights.

The LP Adventure bumper guard is available in 2 different finishes:

-Bare (Unpainted)

-Primer + black powder coat

When it comes to quality grille guards & bull bars, LP Adventure is the brand you can depend on.
