

## LP ADVENTURE BIG BUMPER GUARD (WITH FRONT PLATE) - 2019-2021 FORESTER

The LP Adventure bumper guard for the 2019-2021 Subaru Forester are manufactured in DOM (Drawn Over Mandrel) steel tube of 1.25" x 0.125" combined with 1" x 0.095". This material is very strong and is often used in the manufacturing of roll cage.

This bumper guard comes with an aluminum front plate, with an engraved LP Adventure logo, that attaches directly to the bumper guard. It adds extra protection and a touch of style.

In addition, you can install an LED bar or two fog lights on the 2 mounting points

The LP Adventure bumper guard is available in 2 different finishes:

-Bare (Unpainted)

-Black powder coated
