

LP AVENTURE BUMPER GUARD (WITH FRONT PLATE) - 2019-2021 FORESTER

The LP Aventure bumper guard for the 2019-2020 Subaru Forester are manufactured in DOM (Drawn Over Mandrel) steel tube of 1.25" x 0.125" combined with 1" x 0.095". This material is very strong and is often used in the manufacturing of roll cage.

This bumper guard comes with an aluminum front plate, with an engraved LP Aventure logo, that attaches directly to the bumper guard. It adds extra protection and a touch of style.

In addition, you can install an LED bar or two fog lights on the 2 mounting points

The LP Aventure bumper guard is available in 2 different finishes:

-Bare (Unpainted)

-Black powder coated

When it comes to quality grille guards & bull bars, LP Aventure is the brand you can depend on.
