Contents

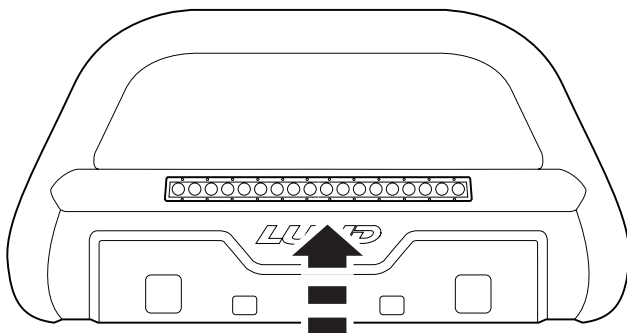

NOTE: Actual product may vary from illustration. Logo should face exterior of vehicle.

Installation Steps

NOTE: Actual application may vary slightly from illustrations.

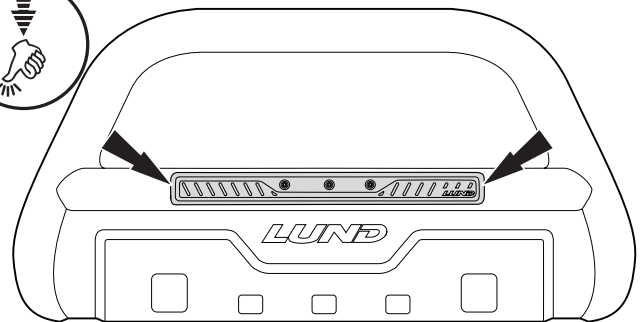

Align light cover with light fixture opening.

1

Snap light cover in place by pressing firmly on clips located on each end.

2

NOTE: Logo should face exterior of vehicle.

NOTE: It may be necessary to use a screwdriver to pry the clips on each end slightly wider to achieve optimal fit.

Congratulations!
