

Inspection After Installation

1. Check to see that shield doesn't contact outer hood surface or grille. It will rub off paint.
2. Make sure bumpers (if part of kit) are installed on hood and NOT shield. They will rub off paint.

Care and Cleaning

1. Do not use "automatic" style car washes.
2. Never use harsh or abrasive cleaners on accessories made of plastics.
3. Do not pull on shield to close hood.
4. Periodically check fasteners for loosening.

Congratulations

You have purchased one of the many quality products offered by Lund. We take the utmost pride in our products and want you to enjoy years of satisfaction from your investment. We have made every effort to ensure that your product is top quality in terms of fit, finish, and ease of installation.
