## 99-7631B NISSAN TITAN

## 2017-UP 2016-UP (XD MODEL)

- D** Double-DIN radio provision
- S** Single-DIN radio provision with pocket
- P** Painted matte black (B)
- T** Textured to match factory finish

### PRODUCT OVERVIEW

The 99-7631B is designed to install an ISO DIN radio, and the 95-7631B is designed to install an ISO DDIN radio in a 2016-Up Nissan Titan. This kit is made with the highest quality ABS plastic using injection molding technology to ensure a superior design and fit. It is painted a scratch-resistant matte black to match the factory look and feel of the factory dash panel.
