

MOSSY OAK[®] **GRAPHICS**

THE GRAPHICS SOURCE FOR THE
SPORTSMAN

MOSSY OAK[®] GRAPHICS[™]

Mossy Oak[®] Graphics[™] uses the latest technology and highest quality materials to deliver the most advanced camouflage vinyl wraps, skins, decals and graphics on the market.

PRODUCT FEATURES:

- Industry leading 7-year durability rating and 5-year warranty against fading
- Ultra high-resolution, 1,200 dpi printing
- Cast vinyl that won't shrink, crack or peel
- Air Release Technology allows for smooth, bubble free installation
- Ultra Matte laminate provides an added layer of durability and mutes any shine or reflection.

► ORDER & INSTALL

To complete your order, include the following:

Part Number & Size Code (When needed) + Pattern Code = Your Final Order Number.

Rifle Skin Order Example: 14004-R - BU
(from chart below)

Part Number + Pattern Code from pg. 2
(BU = Break Up Camo)

Description	Size	Part No.
GUN SKINS		
Shotgun Skin (single barrel)	29" barrel or smaller	14004
Rifle Skin	29" barrel or smaller	14004-R
Scope Skin	Fits most scopes	14004-S

"THE SLICEST WAY I HAVE SEEN TO CAMOUFLAGE A GUN SHORT OF HAVING IT DIPPED."

PHIL BOURJAILY
Field & Stream

Our universal fit, do-it-yourself Gun Skins come in two sizes and fit all single barrel shotguns, rifles, and muzzleloaders. Don't pay extra for a factory dipped camouflage option. Our skins are easy to apply, easy to remove, and can change the look of your shotgun, rifle or scope for any season or region. Available in 16 Mossy Oak® patterns.

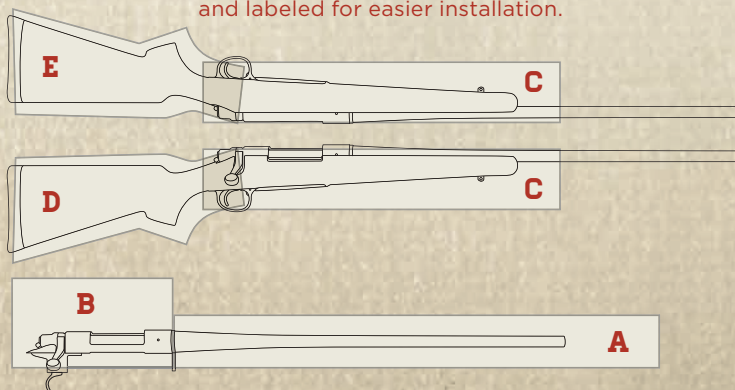

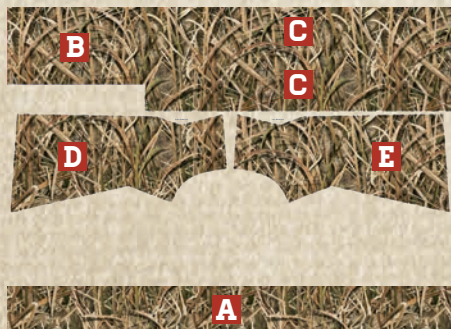

GUN SKIN PRODUCT FEATURES

- Ultra matte non-glare finish
- Bubble free and wrinkle free installation
- Water resistant
- Cast vinyl that won't shrink, crack or peel
- Allows for disassembly and normal function of the firearm

RIFLE SKIN PRODUCT LAYOUT EXAMPLE

A. 29" Barrel B. Receiver C. Forend
D. Right Buttstock E. Left Buttstock

*Each of our gun skins is pre-cut and labeled for easier installation.

1 RALLY STRIPE KIT

Rear Window Graphics are made from micro-perforated vinyl which has approximately 50% holes and 50% material. The key to this visual effect is lighting. The combination of light and its reflection off of the high resolution image creates a graphic that is a solid image on the outside but is completely see through from the inside.

Give your ATV, UTV or Golf Cart a factory dipped finish without the cost. Our durable, highly conformable material will go around all the contours of your vehicle and last for years.

1 ATV kits come in two sizes to fit any ATV. 2 UTV kits come with enough material to cover any make or model. The 4' x 12' roll, combined with our premium cast vinyl system, provide for a smooth, bubble-free installation. 3 Golf Cart Kits come with a 4' x 10' roll, which can be cut into five-2' x 4' pieces and is enough material to cover most models. 4 Golf Cart Rally Stripes come in Single and Dual Stripes.

"DO-IT-YOURSELF,"

When we say you can ...we really mean it.

Customers love our products because they can show off their lifestyle, what they do, and who they are. Here are some ways our customers showed how Mossy Oak® Graphics™ can be applied by just about anyone, on just about anything.

"Your Youtube video gave me confidence to purchase the gun kit." - Will

"Quick and easy, the hardest part was deciding which pattern to go for!" - Allen, Wisconsin

"Looks great, and is super easy to install. I'll definitely be getting more from you guys!"

- James B.

"I have always loved Mossy Oak camo, and what you have stood for. I'm glad you have truck graphics now, and I will definitely be buying from ya'll again."

- Alex H.

"Easy to put on!" - Jim M.
