

Part#: 975PK

INSTALLATION BULLETIN #975PK

This pinion bearing kit will fit all Ford 9.75" housings from 1999½ through 2010. In 2007 and later model housings, the inner pinion bearing and race may be different from the part numbers that you will receive in this kit.

THIS IS NOT AN ERROR. The part numbers in this kit will directly replace those numbers.

Inner Pinion Bearings:

NP434567 - NP576375 replace NP665996 - NP244986

Outer Pinion Bearings :

HM89411 – HM89443 replace KEST3376LFT
