## FUEL STABILIZER

M5808/6

Treats up to 35 gallons of fuel. Super concentrated formula for all two and four cycle engines. Keeps stored fuel fresh. Compatible with all gasolines, fuel/oil mixtures, gasohol, oxygenated fuel, kerosene, and diesel fuels. Contains no alcohol. This diesel fuel additive complies with the federal low sulfur content requirements for use in diesel motor vehicles and non-road engines. For storage and everyday use in cars, trucks, recreational vehicles, motorcycles, snow-mobiles, marine engines, lawn mowers, chain saws, snow blowers, generators, gas cans, fuel storage tanks, etc.

### APPLICATIONS:

- Treats 35 Gallons!
- Keeps Stored Fuels Fresh For Easier Starts
- Helps Keep Entire Fuel System Clean
- Removes Water To Prevent Corrosion
- For All Two And Four Cycle Engines

**DIRECTIONS:** Loosen cap and pre-measure 1 ounce of product for each 2.5 gallons of fuel to be treated. Hold bottle up-right and squeeze until the small chamber fills. After treatment, run engine for a few minutes to allow treated fuel to flow throughout fuel system. Avoid contact with painted surfaces. In case of paint contact, wash off with water immediately

**STORAGE, HANDLING & DISPOSAL:** Dispose of product, container, and residue in accordance with all local, state, and federal laws and regulations.

**DANGER:** Do not swallow. Do not breathe vapors. Use in a well ventilated area. Avoid contact with eyes or skin. Keep away from heat sources, sparks, and flames.

**FIRST AID:** If swallowed DO NOT INDUCE VOMITING. Call poison control center, physician, or hospital emergency room immediately. If inhaled, remove to fresh air. If breathing becomes difficult, get prompt medical attention. For eye contact, flush thoroughly with water for 15 minutes occasionally lifting upper and lower eyelids and get prompt medical attention. For skin contact, wash with soap and water promptly. If irritation persist, get prompt medical attention.

### KEEP AWAY FROM CHILDREN AND ANIMALS
