

FREQUENTLY ASKED QUESTIONS

Car Tent

Will bugs find their way into the tent through the vehicle sleeve?

No, the vehicle sleeve has two fabric flaps on the inside that allows you to seal any minor gaps that may occur in the vehicle sleeve due to the shape/curve of your vehicle. If you are extremely concerned, you can use magnets on the flaps to secure it to your vehicle however it is not necessary.

Will the SUV tent fit on my SUV that has barn doors?

If your vehicle has barn doors we recommend the larger model SUV Tents such as the Sportz SUV Tent 82000 Series or the Sportz SUV Tent 84000 Series with detachable screen room. For safety reasons, we recommend that the doors remain closed while you are sleeping.

Will the SUV tent fit on a truck that has a camper shell/cap on it?

Yes, providing the height of the vehicle from the ground to the top does not exceed 80".
