

Installation Guide

Rear Subframe Mount - Insert Bush Kit

Suits: Subaru Impreza GH 10/07-on

(Always refer to the current catalogue for complete application listing)

- N.B:** - This installation guide should be used in conjunction with the workshop manual
- All fastener torque settings to be adhered to
 - It is recommended that a wheel alignment is carried out after fitment
 - Top mounting washers require tabs to be flattened (Refer to Fig.1)

N.B: It is recommended that a licenced workshop or trades person carry out the above procedure and that workshop manual and relevant safety procedures are followed in addition to the above.
