QUICK RELEASE GENERATION 2.1

US PATENT # US7527293

PYRAMID SERIES

SRK-210BK-MC

Generation 2.1 utilizes all the benefits of the Generation 2.0. The spring mechanism is assisted by the addition of a Studded Pyramid Body ring that makes it easier to release. The self-locking feature adds increased safety and functionality of the removal of the steering wheel with an ease.

*THE GOLD, BLACK, NEOCHROME & GLOW-IN-THE-DARK RINGS ARE AVAILABLE IN DIFFERENT COLOR QUICK RELEASE COMBINATIONS UPON REQUEST AND/OR AVAILABILITY.

QUICK RELEASE GENERATION 2.9

US PATENT # US7527293

STRIKE OUT EDITION

SRK-290BK-BK/CG

SRK-290 BK-BK/BL BK-BK/RD BL-BK/BL GM-BK/CG GM-BK/RD GN-BK/CG NB-BK/BL NB-BK/CG OR-BK/CG PP-BK/CG RD-BK/BL RD-BK/CG RG-BK/CG SL-BK/CG

Generation 2.9 utilizes all the benefits of the Gen 2.0 with the additional appearance of 3 colored stripes on the upgraded Diamond Cut Black flared ring. Colors include chrome gold, blue or red stripes. The self-locking feature adds increased safety and functionality of the removal of the steering wheel with an ease. Perfect for race applications where the use of gloves are required.

*OTHER QUICK RELEASE COLOR COMBINATIONS WITH THE THREE RINGS ARE AVAILABLE UPON REQUEST AND/OR AVAILABILITY.

QUICK RELEASE GENERATION 3.0 US PATENT # US7527293

SRK-650BK

SRK-650PK SRK-650RD SRK-650PP SRK-650RG SRK-650OR SRK-650BL SRK-650NB SRK-650GN SRK-650GM SRK-650SL SRK-650BK-CG SRK-650BK-MC

Generation 3.0 Quick Release utilizes the ball-locking quick release system with raised sections to prevent scratching and stretching of the hub. The self-locking feature adds increased safety and functionality. The sleek design style of the two larger levers help the removal of the steering wheel with an ease. Also, available in assorted colors.

QUICK RELEASE GENERATION 2.8 US PATENT # US7527293

SRK-280BK-CG

SRK-280PK SRK-280RD SRK-280PP SRK-280RG SRK-280OR SRK-280BL SRK-280NB SRK-280GN SRK-280GM SRK-280SL SRK-280BK-MC

Generation 2.8 Quick Release utilizes the ball-locking quick release system with raised sections to prevent scratching and stretching of the hub. The self-locking feature adds increased safety and functionality. The Diamond Cut Flamed Ring allows easier release by providing added leverage and grip onto the pull ring. Perfect for race applications where the use of gloves are required. Also, available in mix match assorted colors.

QUICK RELEASE GENERATION 2.5 US PATENT # US7527293

SRK-250CF

SRK-250PK SRK-250RD SRK-250PP SRK-250RG SRK-250OR SRK-250BL SRK-250NB SRK-250GN SRK-250GM SRK-250SL SRK-250BK-CG SRK-250BK-MC

Generation 2.5 Quick Release utilizes the ball-locking quick release system with raised sections to prevent scratching and stretching of the hub. The self-locking feature adds increased safety and functionality. The sleek design style of the two larger levers help the removal of the steering wheel with an ease. Also, available in assorted colors.

QUICK RELEASE GENERATION 2.0 US PATENT # US7527293

SRK-200BK

SRK-200PK SRK-200RD SRK-200PP SRK-200RG SRK-200OR SRK-200BL SRK-200NB SRK-200GN SRK-200GM SRK-200SL SRK-200BK-CG SRK-200BK-MC

Generation 2.0 Quick Release utilizes the ball-locking quick release system with raised sections to prevent scratching and stretching of the hub. The self-locking feature adds increased safety and functionality. The sleek design style of the two larger levers help the removal of the steering wheel with an ease. Also, available in assorted colors or color locking.

SWITCH EXTENDED KIT

NEW
PRODUCT

SRK-101MC

*Not compatible with Thin Version Quick Release or Quick Tilt System

WSS-100BK

Steering wheel single switch extended kit | Black

GD RG OR RD PP NB BL GN MB SL GM BK

These units are meant to quickly disable the hub. No more worries of someone simply replacing your steering wheel with their own to drive away with your vehicle. This product is made from aluminum and utilizing the Ball-Lock design and key mechanism.

QUICK RELEASE THIN VERSION

QUICK TILT W/LOCK

SRK-400BK

SRK-400RD SRK-400RG SRK-400MC SRK-400PP SRK-400BL SRK-400CF SRK-400SL

This redesigned quick release kit utilizes a pin and gear locking mechanism for maximum durability. The height of the thin version is 1.25 inches versus 3 inches of the original.
*Not compatible with NRG Short Hub Adapter or Quick Lock System

SRT-100BK

SRT-100SL

This design allows the steering wheel to tilt up and out of the way in one quick motion. The patented locking mechanism secures the vehicle with the tilt engaged for added safety.

RADIATOR DIVERSION PANELS

DVP-2002

Radiator Diversion Panel | Mazda Miata | 1999-2006

These diversion panels maximize the cooling capabilities of the radiator. Rather than letting air escape through structural gaps on the vehicle, it is redirected to the radiator. By increasing the amount of air flow passing through the radiator, the efficiency of the radiator is improved. Coolant temperatures are kept consistent under all driving and track conditions. All panel designs are made according to car specifications.

NRG INNOVATIONS

NRG Innovations has been a moving force in the future of the automotive industry. For our continuing customers, we strive to improve the features, durability and quality of our products. Our team has taken to the road to a few nationwide events to educate and showcase, old and new patrons, our new quick releases, short hubs and steering wheels. With our newly updated website, we have the opportunity to display our products & product information for worldwide car enthusiasts. NRG Innovations would like to thank everyone for the ongoing support and appreciation. We will thoroughly progress in tuning the future. Thank you!

TERMS & CONDITIONS

All orders placed with NRG Innovations (phone, fax, mail, verbal or email, either directly or through a dealer, constitute the acknowledgment and acceptance of all of the conditions listed below.

Warning and Disclaimer

Items sold by NRG Innovations may not be legal for street use in all states. **WARNING:** It is the buyer's responsibility to comply with applicable state laws. Buyer understands that due to strict U.S. federal and State safety crash guidelines, NRG Innovations is not responsible or liable for any damages or possible injuries incurred as a result of any accidents due to driver error, incorrect installation, bad judgment, or act of nature/ GOD, Allah, Jehovah, etc.. All products are intended for off-highway uses only, and should be used for their intended purpose only. NRG Innovations does not take responsibility for installation, modification, misuse and/or unusual stress of the products. The buyer assumes all responsibilities for determining the suitability of the products. NRG Innovations is not responsible for any damages incurred either directly or indirectly on the vehicles or operators/ passengers within the vehicles.

Disclaimer of Implied Warranties

NRG Innovations DISCLAIMS ALL IMPLIED WARRANTIES AND SIMILAR OBLIGATIONS (OTHER THAN GOOD TITLE) INCLUDING BUT NOT LIMITED TO THOSE OF FITNESS FOR A PARTICULAR PURPOSE, AND MERCHANTABILITY, WHETHER OTHERWISE ARISING BY LAW, CUSTOM, USAGE, TRADE PRACTICE, COURSE OF DEALING, OR COURSE OF PERFORMANCE. There are no warranties which extend beyond those express warranties contained in the Agreement. Buyer affirms that it has not relied upon Seller's skill nor judgment to select or furnish the Goods for any particular purpose beyond the specific express warranties in the Agreement. Any design provided by Seller is based on information provided by Buyer. Any modifications of drawings, prototypes and other work of Seller after approval by Buyer will be at Buyer's expense at Seller's normal rates for services and materials. Seller does not warrant the Goods will comply with the requirements of any safety or environmental code or regulation of any federal, state, municipality or other jurisdiction beyond the specific express warranties in the Agreement.

Installation

All products require professional installation. Buyer understands that some products may require modifications for correct fitment. Minor adjustments may be necessary as part of the normal installation process. All hoods require hood pins for safety reasons. All carbon fiber products will not sustain any force or weight, for they could be cracked by such force and weight. NRG Innovations has made an effort to produce all its aftermarket products to fit the original factory vehicles as closely as possible. However, some occasional prepping may be necessary for an ideal fit. The buyer needs to perform these steps to his/her satisfaction before installation. If the buyer wishes to paint the products, he or she must pre-tit the parts to the vehicle before painting to ensure proper fit. There are absolutely no returns on painted products.

Customer Service

NRG Innovations does not sell to the public directly. All customer service related issues must be addressed to the dealer, who may in turn contact NRG Innovations. NRG Innovations will not answer sales or service related inquiries from the end user. These inquiries include, but are not limited to, obtaining tracking numbers, obtaining authorization for returns/exchanges, filing claim for shipping damages (see below), and claiming for defects. Such users will be referred back to the dealer from whom he or she purchased the products.

Shipping Damage

NRG Innovations packs all products carefully to prevent damage during shipping. However, damage may still occur occasionally. Buyer must inspect the packaging and the products carefully upon receiving them, then accept and shipment and notate any damages and irregularities, such as crushed, torn, punctured, or broken parts on both the packaging and the product, on the freight bill or receipt at the driver's presence. Buyer must retain all cartons, packaging materials, and damaged products for the carrier's damage inspector to inspect. Do not refuse shipment or return it without approval, because the buyer's right to make a damage claim may be denied. A signed receipt without any notation indemnified the carrier as well as NRG Innovations from any further damage claims. Discovery of damages after a clear deliver become the responsibility of the customer.

All damages must be notified to carrier and the dealer within 24 hours. In cases of damage with proper notation on receipt, the carrier will determine whether to pay for repair cost or replacement value of the damaged goods after damage inspection. Replacement value

is the amount the buyer paid to the distributor and is not negotiable. All disputes about the settlement amount should be addressed with the carrier. NRG Innovations, under no circumstances, shall be liable for the damaged product or for subsequent settlement of the claim with carrier.

Defective Products

All products require professional installation. Minor adjustments might be necessary. These are normal body work and installation steps. Therefore, it is NOT considered to be defective. In addition, most carbon fiber products are hand-crafted, and no two items will be identical. Small imperfections such as wavy weaves, small bubbles, and clear coat blemishes are inevitable. Pictures are required to demonstrate true defects on products on products prior to return. See below for information on our return policy.

Returns

Special orders cannot be returned. If the buyer decides to return any part of the ordered item, he or she must contact the distributor who in turn can contact NRG Innovations and receive a return authorization with three (3) days of receiving the parts. A Return Authorization Number (RA number) will be issued to the buyer by NRG Innovations, and it must be written on the outside of the packages being returned. Returned products must be received back at NRG Innovations within ten (10) days of issuing the return authorization. There is no return for any parts that have been used, modified, painted, or installed. All return products are subject to a 30% restocking fee, and shipping and handling fees are not refundable. All products, which are approved for return, are for store credit only. All products returned must be in the original shipping carton in the same condition as it was originally delivered or shipped. Only the original buyer may request for a return of products. Defective items may be exchanged for the same item only. Upon receipt of returned parts, NRG Innovations shall inspect the parts to determine their exact condition. If NRG Innovations does not accept the goods as being defective and/or returnable, buyer must accept any incurred costs.

All returns, regardless of the underlying reason, must be sent shipping prepaid. Any returns sent shipping collect or without RA number will be refused and returned to the buyer at his or her own expense. Shipping costs to and from the purchaser are not refundable. Buyer is advised to insure the returned goods for their full value for his or her own protection. Otherwise, neither NRG Innovations nor the shipping company would be responsible for any damage or loss in shipment. Refund will not be issued on returned products that are damaged on the way back to NRG Innovations.

Shipping Errors

If the consignee receives an incorrect item due to NRG Innovations error, consignee must inform the dealer with three (3) days of receipt of shipment. NRG Innovations will then issue a "Call Tag" to pick up the incorrect item(s) and ship the correct item(s) at no additional charges.

Shipping and Backorders

NRG Innovations tries to maintain a good stocking level in order to prevent backorders. However, in case a backorder is necessary, NRG Innovations will ship the order as soon as the parts become available. Backorders must be canceled with five (5) days from when the order is placed, or before when the parts become available, whichever is sooner. Otherwise, the parts will automatically be shipped to the buyer. NRG Innovations tries to ship regular, in-stock items the following business day. Please allow 5-10 business days for in-stock items to arrive. All shipping dates are approximate. Buyer is fully responsible for all shipping residential addresses (as opposed to business addresses) will incur additional costs.

Contingencies

NRG Innovations shall not be liable for any failures to produce product to buyer when the cause of such failure is the result of the forces of nature, labor disputes, supplies or material shortage, acts of local, state, national, civil, or other authorities or public agencies; utility or communication failures, accidents, injuries, transportation problems, or any act or cause that does not normally occur in the ordinary course of NRG Innovations business. All parts shall remain the property of NRG Innovations until paid in full. All prices and specifications are subject to change without notice.

***** ALL PRODUCTS ARE MANUFACTURED FOR OFF ROAD USE ONLY *****

PRICING POLICIES

This agreement contains the complete terms and conditions that apply to your participation as a customer/vendor of NRG Innovations. By signing our dealer application or purchasing our product, you are confirming that you have read this agreement and you agree to be bound by the terms and conditions contained in this Agreement. Please read carefully before proceeding.

NRG Innovations will be strictly enforcing MAP pricing policies on all dealers, distributors and vendors of NRG products. One basic guideline regarding this policy includes **ABSOLUTELY NO LOWER THAN RETAIL PRICING** may be advertised in any form including EBAY, Yahoo Auctions, and Craigslist. NRG Innovations must authorize all vendors attempting to sell on these mentioned venues. Our MAP pricing term, along with the utilization of many of our dealer networks, will enforce this policy. While we enforce a ZERO Tolerance policy with the MAP policy, NRG Innovations or its vendor, if deemed necessary may give warning(s).

You hereby agree to indemnify and hold harmless NRG Innovations, and its subsidiaries, and their respective directors, officers, employees, agents, partners, members, and other owners, against any and all claims, actions, demands, liabilities, losses, damages, judgments, settlements, costs, and expenses (including reasonable attorneys' fees) (any or all of the foregoing hereinafter referred to as "Losses") from any damages (whether physical or psychological), injuries, permanent disabilities or deaths caused directly or indirectly by any of Our products or services.

NRG Innovations is registered and trademarked brand. Use of the logo, name, design, art, copyrighted text, mark, and media in any form must be granted authorization by NRG Innovations and its trademark owners. NRG Innovations reserves the right to grant, remove, and change authorization on a case-by-case basis and authorization is subject to change at any time.

By accepting our shipping quotations and the shipping dates, you have agreed to abide by our Sales' term and conditions set forth in this purchase order. Any orders once confirmed after shipping charges and Shipping dates has been accepted/sent, cannot be cancelled unless an agreement has been reached. It is the end-users responsibility to make sure that they are ordering the correct part for the correct application.

Returns are subject to approval. With all returns, an approval is required. NRG Innovations must be notified with 48 hours of return shipping and a RMA (Returned Merchandise Authorization) must be requested for return shipment. Returned items are subject to a restocking fee of 15%-30% (depending on the merchandise, or unless otherwise agreed upon).

A professional mechanic in an equipped workshop should install all automobile parts. Any damaged or missing parts during installation will not be refunded, nor any request for such be entertained. All advice and technical information provided by us will be used under your own discretion. We will not bear any responsibilities for any misunderstanding and misinterpretation. Also, buyer understands that due to U.S. Federal and State Safety crash guidelines, NRG Innovations is not responsible or liable for any damages or possible injury incurred upon possible accidents due to driver error, incorrect installations, bad judgments or act of nature, etc. All carbon fiber (interior/exterior components) are only recommended and legal to be used for off highway use such as track racing or for exhibition show only! Buyer understands that all products may need modifications for correct fitment.

All advice and technical information provided by us will be used under your own discretion. We will not bear any responsibilities for any misunderstanding and misinterpretation.

NRG Innovations does not guarantee the legality of any products we sell. It is the customer's responsibility to check local and state laws regarding vehicle modification before ordering. Some parts we sell are for racing only, and are not legal for use on public road or street. All engine modification components, except those that are exempt, have been designed and are intended for off-highway application. Many state laws prohibit the removal, modification, or rendering inoperable of any device or element of design affecting vehicle emission or safety in a vehicle used on public highways. Violation of such laws may subject the owner or user to a fine or penalty. Installation of this part may void the warranty coverage, if any, on your vehicle. Vehicles modified by the use of performance parts may no longer be lawfully used on public highways.

We reserve the rights to modify any of the terms and conditions contained in this Agreement, at any time and in our sole discretion. Modifications may include, for example, changes in the scope of membership or dealer programs payment procedures and rules.
