

the newest addition. . .
1,000 lb. capacity low-lift
Transmission Jack
No. 1521

No. 1521

- Universal mounting head, with adjustable brackets, tilts front-to-back and side-to-side for easy transmission alignment.
- With a height range of 6¹/₂" to 29¹/₂", it is ideal for today's ground-hugging cars.
- Safety chains hold the load securely, even while moving about the shop.
- Wide, stable wheel base with four swivel casters, and two handle grips, makes it easy to position under the vehicle.
- Safety overload prevents jack from being used beyond its rated capacity.
- Pump handle rotates a full 360° for use in any position.
- Flash-chromed ram inhibits rust from entering the hydraulic system.
- Covered by OTC's 2-year Warranty®.
