PacRim designs and distributes the industry's largest range of OEM quality automotive aftermarket wheel skins and wheel covers. Since 1987, Pacific Rim and Trim has been providing state-of-the-art products and outstanding customer service in the U.S. & Internationally.

ADD VALUE - UPGRADE THE LOOK TRANSFORM SCRATCHED, DULL OR RUSTED WHEELS INTO A HIGH-QUALITY NEW LOOK IN MINUTES. NO SPECIAL TOOLS REQUIRED

We have the solution for replacements and style updates for the majority of vehicle makes and models. Quickly and easily upgrade the look of a vehicle with our selection of over 250 wheel skins and wheel covers.

SIMPLE INSTALLATION & DURABLE FINISH

WHEEL SKINS

Are made to match the look of factory wheels. Each wheel skin is made specifically to fit the year, make, and model of the car or truck factory steel or alloyed wheel it was designed for. Wheel skins fit directly over your factory wheels and look just like the factory wheel. If you are looking for factory wheel design-specific to your vehicle brand and model and want to update the finish color this is the perfect choice.

WHEEL COVERS

Wheel covers, cover the complete steel or styled steel wheel and are the best choice for customizing and updating a wheel look in an inexpensive way. Wheel covers are durable and ad flexibility to match your style. Wheel covers universally fit all makes and models but are built as specified by the factory. Wheel covers come in Black, Silver, Chrome and Two-Toned finish.

WHEEL SKINS

X-CELLERATE

SERIES

Wheel skins fit directly over your factory wheels and look just like the factory wheel. Each wheel skin is made specific to fit the year, make, and model of the car or truck factory steel or alloyed wheel it was designed for. Achieve the look of chrome or black wheels at the fraction of the cost.
