

PATRIOT™

EXHAUST PRODUCTS

Part Number
H7402

Not legal for use on catalyst-equipped vehicles except for racing vehicles which may not be operated on a highway.

Universal Sidepipe Hookup Kit

Installation for headers with flanged collectors

1. Assemble the pieces shown in figure 1.
2. Determine the proper length.
3. Trim the tube to desired length. Cuts should be made in the straight portions of the tube.

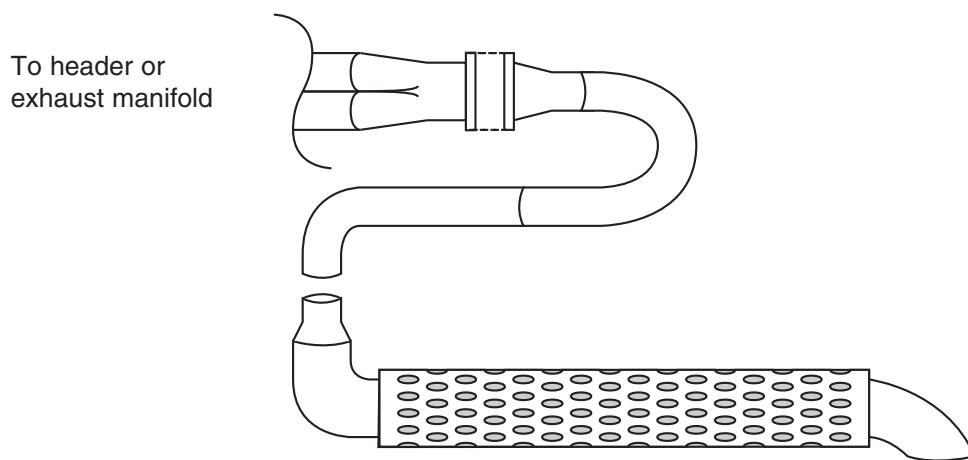

FIGURE 1

Installation for headers or exhaust manifold with slip collectors

1. Assemble the pieces shown in figure 2. Do not use the flanged collector.
2. Determine the proper length.
3. Trim the tube to desired length. Cuts should be made in the straight portions of the tube.
