## Highlights

### Greater safety and comfort

Our Vision upgrade headlight bulbs produce a longer light-beam projection for greater safety and comfort.

### High quality upgrade headlight

Our lighting solutions produce a powerful and precise beam of light with maximum output. We consistently produce the best, most efficient lighting solutions because we know that our high-quality lighting may one day save a life.

### Original equipment quality

For over 100 years, Philips has been on the forefront of the automotive lighting industry, introducing

technological innovations that have become standard on modern cars. Today, one in three cars worldwide is equipped with a Philips light source.

### Street - legal

Philips Vision headlights are DOT compliant

### Replace in pairs

It is simply more efficient to change both headlamps in pairs, rather than only replace the failed one. New, modern bulbs have increased light output and increased performance, offering a safer driving experience. Overall, the benefits and advantages of replacing in pairs are numerous: less hassle, cost savings, avoiding headlight failure, a brighter and more balanced beam, but above all, safety.

## Specifications

### Packaging Data

- EAN1: 046678718830
- Packaging type: B1

### Product description

- Technology: Halogen
- Application: High beam, Low beam
- Range: Vision
- Base: P26,4t
- DOT Compliant
- Type of lamp: 9008

### Electrical characteristics

- Wattage: 60/55 W
- Voltage: 12 V

### Marketing specifications

- Expected benefits: More light
- Product highlight: 30% More light

### Ordering information

- Order entry: 9008PRB1
