# Highlights

## Up to 100% more light

Based on a unique filament design and optimized geometry, X-tremeVision is engineered with state-of-the-art technology for ultimate performance and bright, white light where it matters the most.\* than a standard halogen headlight

## High quality and visibility

X-tremeVision provides you with a better reactivity thanks to an earlier recognition of obstacles and traffic signs. Light is a fundamental part of the driving experience and light is the first and only part of the safety circle that actually helps prevent accidents. Philips promotes active safety protection to prevent accidents by increasing overall visibility and road illumination.

## DOT compliant

DOT/ SAE and ECE certification and homologation

## Car manufacturer choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

## Replace in pairs

It is highly recommended to replace your headlights in pairs for symmetric light performance.

# Specifications

## Electrical characteristics

- Voltage: 12 V
- Wattage: 60/55 W

## Lifetime

- Life time: 300+ hrs

## Product description

- Technology: Halogen
- Application: High beam, Low beam
- Base: P26,4t
- DOT Compliant
- Range: X-tremeVision
- Type of lamp: 9008

## Marketing specifications

- Expected benefits: More light
- Product highlight: Up to 100% More light
- Product type: Headlights

## Light characteristics

- Color temperature: 3400 K

## Ordering information

- Order entry: 9008XVB2
- Ordering code: 77717372

## Packaging Data

- EAN1: 046677717377
- Packaging type: Twin pack
