

## WARRANTY

All Phoenix USA, Inc. products are warranted from manufacturing defects and workmanship from 1 to 5 years limited warranty, depending upon product line. Stainless steel simulators have a 3-year limited warranty. Any products that have been incorrectly installed, repaired, altered or otherwise misused will void all warranty claims. Upon receipt of product, trained personnel will inspect and evaluate the product(s) submitted for warranty claim. Determination of claim will be made and communicated to customer in a timely manner.
