

Item # 11-898, Kit - Socket, Cable & Bracket

11-898 Kit

- Includes 11-893 Socket, 12-711U Bracket, Interlocking Connector and 4' harness assembly with 0.5" convoluted tubing, and 7-wire leads color-coded to RVI standards.
- Interlocking connector seals out moisture, eliminates loose wiring and forms weather-tight, non-corrosive assembly.
- For new installations or replacement of damaged aftermarket or OEM Sockets and Wiring Harnesses.
- Includes mounting hardware and installation instructions.
