Solar Panel Accessories

12V Male Car Charger Adapter (RA-1)

Never get stranded again. The 12V Male Car Charger Adapter can be used to recharge your vehicle's battery from a PowerFilm solar panel directly through the 12V power port.

12V Female Car Charger Adapter (RA-2)

The 12V Female Car Charger Adapter allows you to directly charge your electronic devices from anywhere.

Daisy Chain Cable (RA-6-HD)

The Daisy Chain Cable allows you to connect several PowerFilm solar panels in parallel. By connecting multiple panels, you can achieve a combined output of up to 20A.

15 ft. Extension Cord (RA-7)

The 15 ft. Extension Cord gives you the freedom to keep your device out of the sun while you charge it.

15 ft. Extension Cord with Alligator Clips (RA-8)

The 15 ft. Extension Cord with Alligator Clips provides a quick battery connection keeping your batteries topped off and ready to go when you are.

Multiple Device Charging Cable (PP-7)

Charge more than one device at a time with the Multiple Device Charging Cable. This cable splits into two marine-grade connectors making charging multiple devices easier and more convenient.

4.5A Charge Controller (RA-9)

Regulate your battery charge and protect from overcharging with the 4.5A Charge Controller. It features 100% solid state electronics. Rated 4.5A @ 12V.

6A Charge Controller (RV-9)

Regulate your battery charge and protect from overcharging with the 6A Charge Controller. It features 100% solid state electronics. Rated 6A @ 12V or 24V.

10A Charge Controller (CC12V-10)

Regulate your battery charge and protect from overcharging with the 10A Charge Controller. It features 100% solid state electronics. Rated 10A @ 12V or 24V.

15 ft. Extension Cord with O-ring Connectors (RA-11)

The 15 ft. Extension Cord with O-ring Connectors is the perfect solution for semi-permanent battery charging applications. This cable features ring terminal ends, plus an extra 15 feet of range.

Anderson Power Pole Connector (RA-13)

The Anderson Power Pole Connector is designed to provide a standard connection for amateur radio and emergency communications.

0.5A USB 12V Adapter (RA-14)

Charge any USB connected device on the go with the 0.5A USB 12V Adapter. Plug straight into the 12V Female Car Charger Adapter (RA-2) and power your USB devices.

2.4A Dual USB 12V Adapter (RA-14B)

Charge any USB connected device on the go with the 2.4A USB 12V Adapter. Plug straight into the 12V Female Car Charger Adapter (RA-2) and power your USB devices.

3 ft. 4.75mm Barrel Connector Adapter (RA-16)

The 3 ft. 4.75mm Barrel Connector Adapter makes your PowerFilm solar panels compatible with legacy lead acid Goal Zero battery banks (Yeti 150/400/1250).

15 ft. Charging Cable for EcoFlow RIVER (RA-16-EFR)

Connect your PowerFilm Solar Panel to the RIVER Mobile Power Station with the 15 ft. Charging Cable for EcoFlow River.

Accessory Kits

Assurance Accessory Kit (AK-1)

The Assurance Accessory Kit includes:
(1) Daisy Chain Cable (RA-6-HD)
(1) 15 ft. Extension Cord with Alligator Clips (RA-8)
(1) 4.5A Charge Controller (RA-9)
(1) 15 ft. Extension Cord with O-ring Connectors (RA-11)

Adventure Accessory Kit (AK-2)

The Adventure Accessory Kit includes:
(1) Daisy Chain Cable (RA-6-HD)
(1) 15 ft. Extension Cord with Alligator Clips (RA-8)
(1) 12V Male Car Charger Adapter (RA-1)
