Tools Needed:

- 7/16" Wrench
- 5/32" Hex Key

Bumper Grille Installation

- 1. Open hood to gain access to the back side of the grille opening.
- 2. For 2014 models, the plastic insert will have to be removed to install the Putco grille. (Refer to Figure 1)

Figure 1

3. Align the two bottom tabs with the slots in the bumper. (Refer to Figure 2)

Figure 2

4. Rotate the grille up into the bumper opening. (Refer to Figure 3)

Figure 3

5. Align the top mounting tabs with the existing holes in the bumper. (Refer to Figure 4)

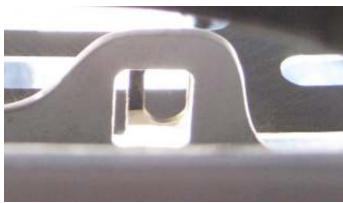

Figure 4

6. With the head facing down, insert the Socket Button Head Bolt through the upper grille and the existing holes in the bumper. (Refer to Figure 5)

Figure 5

7. Secure the Socket Button Head Bolts with the provided washers and lock nuts. (Refer to Figure 6)

Figure 6

8. Continue onto wiring instructions if you purchased the lighted grille.
