Step 1: Remove the factory plastic hood that covers the area between the grille and radiator by removing the plastic plugs or screws that fasten it in place.

Step 2: Remove the bolts and mounting plates from the bag kit.

Step 3: Place the SHADOW GRILLE insert over the grille making sure that it is centered on the vehicle.

Step 4: Reach between the grille and radiator and reinstall the bolts, plates and nuts onto the grille insert.

Step 5: Check to make sure the grille is properly in place and tighten the bolts just enough to hold the grille in place. **DO NOT OVER TIGHTEN** as this may cause the grille to crack.

(71105) 99-07 FORD SUPER DUTY PICKUP AND 00-05 FORD EXCURSION, (74105) HORIZONTAL SIDE VENTS

Step 1: Remove the four factory screws that hold the top of the factory grille in place.

Step 2: Remove the bolts and mounting plates from the bag kit.

Step 4: Place the SHADOW GRILLE insert over the grille making sure that it is centered on the vehicle. If you have purchased the side vent pieces install them at this time. NOTE: The installation bolt will go through a hole in the side vent that is closest to the center grille section.

Step 5: Carefully pull the grille forward and reach between the grille and radiator, install the bolts and mounting brackets onto the grille insert and/or the flat washer and nut on the side vent pieces.

Step 6: Check to make sure the grille is properly in place and tighten the bolts just enough to hold the grille in place. **DO NOT OVER TIGHTEN** as this may cause the grille to crack.
