ACCESSORY CATALOG

A PASSION FOR THE INDUSTRY

At Putco®, we offer the industry's most diverse and unique collection of TRUCK, AUTO, SUV AND POWERSPORTS ACCESSORIES. We are featuring exciting products across all Putco® categories.

In 2013, Putco® moved into a new 126,000 sq. ft. facility. With this facility, we continually invest in high automation production, state of the art equipment, an in-house LED production line and much more. This allows us to support and increase the number of American made products.

For more than 50 years, Putco® has been a recognized brand for top quality products. We are driven to continually be your "Complete Accessory Source". Thank you for your business and support. It is our mission to provide you with innovative and leading automotive accessories!

STAND APART FROM THE REST

Putco strives to deliver to our customers the highest quality and innovative automotive accessories utilizing the highest quality materials and manufacturing techniques. Putco continues to design, manufacture and deliver accessories to complement your vehicle with easy and simple to follow installation methods. Our full-time in house design engineers work meticulously on product design to ensure that Putco's products fit perfectly and add styling that enhances the look of your vehicle. Putco is committed to delivering trim and styling products for today's current trucks with the same quality we have been providing for almost 50 years. This accessory catalog outlines our most current and active trim, top-of-bed and styling products on the market. In this book, you will find detailed information about each product category, including features and benefits, warranty information and what is included with each accessory kit. So let's get started and see what Putco accessories will make your vehicle stand apart from the rest.
