

PUTCO

FORD SUPER DUTY

THE 2017+ FORD SUPER DUTY
PRODUCT LINE FROM PUTCO

ONE AMERICAN MADE LEGEND DESERVES ANOTHER

ROCKER PANELS

Defend your truck from debris in style with these Chrome and Black Platinum rocker panels. Made from premium stainless steel to endure the elements.

TAILGATE ACCENTS

Embellish the look of your tailgate with these Polished or Black Platinum stainless steel trim accents. This two piece accent kit is made from premium stainless steel with pre-applied 3M automotive tape.

LETTER INSERTS

Show off your style with "SUPER DUTY" lettering that fits inside the factory lettering channels perfectly. Available in Stainless Steel and Black Platinum.

DOOR SILLS

Protect your door sills from scrapes and scratches with these attractive Stainless Steel and Black Platinum door sill covers with the licensed "SUPER DUTY" etching.

PILLAR TRIM

Create a high-class look with Ford Licensed Stainless Steel and Black Platinum pillar trim etched with the Ford Oval logo. Also available without Ford logo.

FENDER TRIM

Protect your fenders and create a custom look with stainless steel fender trim. Available in 2" and 3" widths.

SILVER-LUX LEDs

Improve and enhance your truck's light output with the Silver-Lux LED replacement kit. With over 4000 lumens of light output they are sure to "light the way".

Dual Beam Headlights | #280H13 (requires 2 kits)
Fog Lights | #280010

EMBLEM KITS

Create a custom look with these Ford emblem kits. Made of black anodized aluminum with etched "Ford" logo, this kit is the perfect replacement for your OEM emblems.

Platinum & Limited | #92700
With Camera | #92800

TAILGATE LIGHT BAR

Putco's "Blade" LED Tailgate Light has been all the "buzz" in the marketplace. With its 3-year warranty, over 2000 COB LEDs, and superior design you can't help to notice this light bar. Each light bar includes red LEDs for brake/running, white LEDs for reverse and amber LEDs for turn signals.

GRILLE INSERTS

Make your truck the "Boss" of the road with a Putco Boss Grille. With its easy to install direct factory replacement, your truck can be facelifted quickly and easily. Made of premium billet aluminum and a black powdercoat finish, your grille will continue to deliver good looks for a long time. Available with or without Putco's 10" Luminix Light Bars.

LED-LINERS

Give your truck that unique look with Putco's G3 and SwitchBack LED-Liners. Each kit includes a pair of LED circuit boards encapsulated in an aluminum channel that adheres directly to the exterior of the headlamps. Each kit operates with the vehicle daytime running lamps and/or turn signals.

LUMINIX® FOG LAMPS

Putco's Luminix LED Fog Lamps make sure you will never be left in the dark. Made of black anodized billet aluminum and premium LEDs, these high power lamps will deliver great light output that will last. They're designed as direct factory replacements and include the OEM plug and brackets.

WINDOW VISORS

Keep dry while allowing fresh air into your truck with Putco's In-Channel Element Window Visors. These visors are the best in the class for quality, style, fit and function. Available in Chrome ABS or Tinted Polycarbonate.

LOCKER SIDE RAILS

Customize the bed of your truck with one of Putco's Locker Side Rail kits. Whether you like the all Chrome or all Black look or a mixture of both, Putco has it covered. Attachment via the stake pocket openings makes the installation super fast and easy.

CHROME TRIM

Add a little "bling" to your truck with Putco's Chrome Trim accessories. Whether it's the door handle covers, mirror covers, tailgate handle cover, or a fuel door cover, your truck will stand out from the rest with these easy to install tape-on accessories.

PEDALS

Don't let your styling end on the outside, Putco's bolt-on pedals are attractive, as well as, practical for everyday use of your truck. Made of CNC billet aluminum, the aggressive "track" design delivers a unique quality look and better traction for wet conditions.
