

### RA-3 Hedge Trimmer RACK

1. Hang Rack on top rail of trailer inside wall in desired location.
2. Rotate sway bar to horizontal position (A).
3. Using the predrilled holes (B), screw rack to trailer inside wall.
4. Use hook to hang loop handle of hedge trimmer or chain saw for storage.  
Use a bungee cord around the tool to prevent sway using the sway bar holes (C).
