## BACKUP CAMERA

This color CCD camera is built with heavy duty zinc metal which encases the 2.5 mm Sharp lens. It has a viewing angle of 130° and 620 TV lines, which means you get the best quality image with no blind spots. The 18 infra red lights allow you to see up to 50 feet even in the darkest night and the foam around the lens guarantees no glare from these infra reds.

With an IP69K rating this camera will be fit to ride out any storm and boasts a 20G vibration rating as well as aircraft grade cable connections. It comes with RCA connectors as well.
