

# BACKUP CAMERA SYSTEM WITH FLUSH MOUNT CAMERA AND MIRROR MONITOR

RVS - 772718

REAR VIEW  
**SAFETY**  
A Safe Fleet Brand

This system is complete with a color 4.3" TFT-LCD Mirror Monitor which attaches to the windshield, replacing the existing rear view mirror inside the vehicle. The system has mirror image capability, a power harness with two camera inputs, a 120° camera with 30 foot infra-red night vision and all the wires, connectors and mounts you will need. The system is completely weatherproof with an IP68 rating, strong and reliable, shock resistant with a 15G vibration rating (highest in the industry). It comes with a full year warranty.

# BACKUP CAMERA SYSTEM WITH FLUSH MOUNT CAMERA AND MIRROR MONITOR

Installs cleanly in vehicle for a factory-like finish.

System usually outlives the vehicles they are mounted on

Installation Time: 2 hours

**120° Viewing Angle**  
Ultra wide angle

**Heavy Duty Metal**

**9 Infrared Lights**  
For perfect vision even in the darkest night

**Compact Design**  
Less than an inch in diameter

**Flushmount**  
Mounted with bracket or flush on vehicle

**IP68 Rating**  
Protected against complete, continuous submersion in water

### FLUSHMOUNT CAMERA

This color MT9V139 camera is designed to sit flush on the vehicle but comes with a mounting bracket as a second option. Its lens has a viewing angle of 120° and 480 TV lines, which means you get the best quality image with no blind spots. The 9 infra-red lights allow you to see up to 30 feet even in the darkest night and the foam around the lens guarantees no glare from these infra reds. With an IP68 rating this camera will be fit to ride out any storm and boasts a 15G vibration rating as well as aircraft grade cable connections.

**Mirror Monitor**  
Mounts as a rear view mirror

**Reflective**  
Acts as a mirror as well as a monitor

**Super Bright Digital Image**

**OEM Style**  
Clean, factory look

**TFT LCD Display**  
With screen pushed closer to driver

**Distance Grid Lines**  
Optional and adjustable

### OEM MIRROR MONITOR

Our OEM Style Mirror Monitor provides ultimate performance together with a clean, factory like install. It attaches to the windshield, either connecting to, or replacing the existing rear view mirror (see item options) and its bright screen and reflective ability contribute to an all-in-one backup experience. It comes with a 4.3" Color TFT Digital Display and its distance grid lines are optional and adjustable.
