SIDE CAMERA

The Side Cameras that come with our systems are made from heavy duty zinc metal and come with a 2.1 mm Sharp® CCD lens. Their viewing angle is 120° and with 9 Infrared Lights will allow you to see more than 30ft in total darkness. Its mounting bracket is removable allowing the camera to be mounted flush on the vehicle if so desired. Our side cameras are completely weatherproof with an IP68 rating, shock resistant with a 20G Vibration Rating and come with aircraft grade cable connections.
