

130° BACKUP CAMERA WITH 9 INFRA-RED ILLUMINATORS

RVS - 777

REAR VIEW
SAFETY

A Safe Fleet Brand

DESCRIPTION

With a robust, waterproof encasing (IP68), this backup camera will be fit to withstand all weather conditions. It has a wide viewing angle of 130° and 600 TV Lines for the clearest image behind your vehicle. This clear image will remain even at night thanks to 9 infra-red lights which provide excellent night vision. The backup camera comes included with a 66ft cable, an RCA adaptor (to connect to any monitor with RCA inputs) and a one year warranty.

BACKUP CAMERA

This color CCD camera is built with heavy duty zinc metal which encases the 2.1 mm Sharp lens. It has a viewing angle of 130 degrees and 600 TV lines, which means you get the best quality image with no blind spots.

The 9 infra red lights allow you to see up to 30 feet even in the darkest night and the foam around the lens guarantees no glare from these infra reds. The camera boasts a 20G vibration rating and with an IP68 weatherproof rating is fit to ride out any storm.
