

12' x 20' x 8' Round Style Greenhouse

Protect Your Investments from Inclement Weather & Sun Damage

MDM Products 12 x 20 x 8 Instant Greenhouses offer the gardener the very best in plant cultivation and protection space. Available in either House ridge style or Round quonset hut style as you choose. Either style offers tremendous light diffusion through the high quality translucent fabric for great growing. Extends your annual growing season by 2-3 months.

The pre-drilled frame is easily assembled with minimal handtools. All frame components are made from heavy duty galvanized steel. Main cover and end doors are made from long life UV Resistant, Fire Retardant Polyethylene plastic.

All fabric components feature heat-welded seam construction. Unit features full wide double zipper door on one end for easy cart entry and locating growing racks and tables. The 36 manway door on the opposite side allows convenient entry and promotes good cross ventilation. With 4 interior purlin arches, plants can be hung along both edges as well as along the top of the unit.

Each unit comes with a complete anchoring set of duckbill earth anchors and drive rod. Perfect for the novice or seasoned gardener for a truly instant greenhouse!
