

Part#: 9752007

## ***INSTALLATION BULLETIN #9752007***

This bearing and seal master kit will fit all Ford 9.75" housings from 1999½ through 2010. In 2007 and later model housings the original equipment carrier bearings, as well as the inner pinion bearing and race, may be different from the part numbers that you will receive in this kit. **THIS IS NOT AN ERROR.** The part numbers in this kit will directly replace those numbers.

### **Carrier Bearings:**

**NP372019 – NP343847 replace NP847706 - NP912771**

### **Inner Pinion Bearings:**

**NP434567 - NP576375 replace NP665996 - NP244986**
