

## Side Storage Bags

100J75-B

Fits: Wrangler JK (4-door)

The correct attachment of this product is critical and beyond the control of Rightline Gear. The safe use and long life of this product depends entirely on your good judgment and following these directions.

### Pack The Side Storage Bags

1-Slide the hard plastic insert into the top sleeve of each bag (Fig 1).

Fig 1

2-Place items like recovery gear, clothing, towels, first aid kits, road side equipment, snacks, etc. in the main compartment A. Place smaller items in the outer mesh pocket B or the outer zippered pocket C (Fig 2).

Fig 2

### Attach The Side Storage Bags

1-Position a bag over its matching rear wheel well (Fig 3). The top of the bag should follow a straight line parallel to the ground. The outer pockets will face towards the inside of the vehicle.

Fig 3

2-Buckle the D strap around the base of the rear angled roll bar, without twisting the strap (Fig 3 and Fig 4).

Fig 4

3-Buckle the E strap over the rear seat belt holder, without twisting the strap (Fig 3 and Fig 5).

Fig 5

4-Buckle the F strap over the horizontal roll bar, without twisting the strap (Fig 3 and Fig 6).

Fig 6

5-Tighten all (3) straps. The top of the bag should follow a straight line parallel to the ground (Fig 7).

Fig 7

5-Repeat steps 1-5 for the other bag.

**CAUTION:** Make sure that the rear seat belts can move unrestricted before operating the vehicle.
